4 • First aid measures

- **Description of first aid measures**
- **General information:** No special measures required under normal use.
- **After inhalation:** Rarely cause discomfort; supply fresh air and consult physician in case of complaints.
Product name: EP72 Hand Soap

47.1.4

. After skin contact:
No skin irritation is expected under normal use. The product may be irritating to skin if prolonged or repeated contact occurs. Discontinue use if irritation or redness develops. If condition persists for more than 72 hours, contact a physician.
. After eye contact: Rinse opened eye for several minutes under running water. If irritation persists, get medical attention.
. After ingestion:
Rinse out mouth and then drink plenty of water. Call a poison control center or a doctor immediately for treatment advice. Do not induce vomiting unless directed to do so by medical personnel.
. Most important symptoms and effects, both acute and delayed:
People who have skin sensitization may be susceptible to irritating effects when using the product.

5 • Firefighting measures
. Suitable extinguishing media:
CO2, extinguishing powder or water spray. Fight larger fires with water spray. Use fire fighting measures that suit the environment.
. Specific hazards arising from the product: No further relevant information available.
. Special protective equipment and precautions for fire-fighters:
As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.
. Additional information: This product is not flammable.

6 • Accidental release measures
. Environmental precautions: Dilute with plenty of water.
. Methods and material for containment and cleaning up:
Surround and absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
. Reference to other sections:
See Section 7 for information on safe handling.
See Section 8 for information on personal protection equipment.
See Section 13 for disposal information.

7 • Handling and storage
. Precautions for safe handling: No special precautions are necessary if used correctly.
. Information about protection against explosions and fires: No special measures required.
. Requirements to be met by storerooms and receptacles: No special requirements.
. Information about storage in one common storage facility: Not required.
. Conditions for safe storage, including any incompatibilities: None.

* 8 • Exposure controls/ Personal protection
. Components with limit values that require monitoring at the workplace:
The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

. Exposure controls:
. General protective and hygienic measures: Avoid contact with the eyes.

9 • Physical and chemical properties
. Form: Viscous Liquid
. Colour: Colorless
. Odour: Odourless

(Contd. on page 3)
Safety and Training Sheet
For education and training program (according to WHMIS 2015-GHS compliant)

Product name: EP72 Hand Soap

- **pH-Value:** 6.0 – 7.0 (25°C)
- **pH Value (diluted product):**
  - Boiling point/Boiling range: N/D
  - Fusion temperature / range: Not determined
- **Flash point:** Not determined
- **Flammability (solid, gaseous):** Not applicable
- **Relative density:** 1,020 – 1,040 (25 °C)
- **Solubility in / Miscibility with Water:** Fully miscible

### 10 Stability and reactivity
- **Reactivity:** Not determined.
- **Chemical stability:** The product is stable.
- **Thermal decomposition / conditions to be avoided:** No decomposition if used according to specifications.
- **Possibility of hazardous reactions:** No dangerous reactions known.
- **Conditions to avoid:** Avoid freezing and extreme heat conditions.

### 11 Toxicological information
- **Symptoms related to the physical, chemical and toxicological characteristics**
  - **If on the skin:** May cause irritation by prolonged contact with skin.
  - **If on the eye:** Irritating effect.
  - **After ingestion:** May cause irritation of the gastrointestinal tract, nausea, vomiting and headache.
  - **Sensitization:** No sensitizing effects known.
  - **Delayed and immediate effects, and chronic effects from short-term and long-term exposure:**
    Prolonged or frequent contact can cause eczema and inflammation of the skins as a results of degreasing.

### 12 Ecological information
- **Toxicity** No data available.
- **Ecotoxicity** No relevant information available.

### 13 Disposal considerations
- **Waste treatment methods recommendation:**
  Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Small amounts may be diluted with plenty of water and washed away. Dispose of bigger amounts in accordance with local authority requirements. Dispose in accordance with all applicable federal, state, provincial and local laws and regulations. Contact your local, state, provincial or Federal environmental agency for specific rules.
- **Uncleaned packagings recommendation:** Dispose of packaging according to regulations on the disposal of packagings.
- **Recommended cleansing agent:** Water

### 14 Transport information
Not regulated under TDG (Canada).
- **UN-Number**
- DOT, IMDG, IATA Not regulated.
- **UN proper shipping name**
- DOT, IMDG, IATA Not regulated.
Product name: **EP72 Hand Soap**

47.1.4

. **Transport hazard class(es)**
